

Plastic Shelf Dividers

Organize your shelving and cabinets!

- 12", 18" and 24" Dividers are compatible with most common shelf depths.
- Great as part of a 5S Lean program

FEATURES

- 1 Unique front clip design allows the divider to attach securely
- 2 Vertical dividers neatly separate hard-to-organize and oddly shaped items
- 3 Designed to work with steel shelving, wire shelving and most cabinet shelves
- 4 Compatible with most common shelving depths – 12", 18" and 24"

Works on steel shelving, as well as most cabinet shelves.

Clips securely around wire shelves.

Creating separated sections will keep your supplies organized.
