BF Model Containers

- Solid, one-piece base for maximum strength and durability
- Automation friendly
- Withstands exposure to sunlight and cooling processes
- Resists impact and moisture
- Designed with rounded rims and corners – easy to keep clean
- Will not rust, peel or splinter, rot or absorb odors
- Backed by a one-year limited warranty
- 100% recyclable HDPE

BG Model General Purpose Containers

- Rated for load capacities up to 1,200 lbs.
- Locking latches secure panels and doors
- 9 feet or 5 plastic runners
- Plastic runners for added stacking strength
- Backed by a one-year limited warranty
- 100% recyclable HDPE

BH Model Heavy-Duty Containers

- Rated for load capacities up to 2,500 lbs.
- Reinforced base with 3 steel runners for durability
- Post-and-pocket side panels interlock for strength
- Steel corner hit plates deflect fork tines
- Backed by a one-year limited warranty
- 100% recyclable HDPE

BI Model Industry Standard Containers

- Rated for load capacities up to 1,600 lbs.
- Locking latches for sidewalls and drop doors
- Backed by a one-year limited warranty
- 100% recyclable HDPE

BN Industry Standard Containers

- Rated for load capacities up to 1,800 lbs.
- Plastic runners for added stacking strength
- Backed by a one-year limited warranty
- 100% recyclable HDPE

BN Extra-Duty Boxes

- Rated for load capacities up to 2,500 lbs.
- Backed by a one-year limited warranty
- 100% recyclable HDPE

BS Extended Length Containers

- Rated for load capacities up to 2,000 lbs.
- Spring action latches on doors and sidewalls provide quick assembly, knock down and access to contents
- No hinge pins - walls snap in place and remove quickly for replacement
- Non-sequential folding allows quick collapsibility and prevents walls from bowing when collapsed
- Backed by a one-year limited warranty
- 100% recyclable HDPE
