

# Divider Label Tab

*Clearly see the label of each compartment without moving contents!*

- Angled face improves visibility of labels for barcode scanning
- Easily identify bin contents in separate compartments

Divider Label Tab

Enables multiple labeled SKUs to be in one bin, saving valuable space.

Designed to sit nearly flush with the top of Shelf Bins and ShelfMax Bins – will not get in the way on shelving.

Divider Label Tabs can be offset like file folder tabs to keep multiple labels clearly visible.
